FEEDBACK – QUESTIONNAIRE REGARDING CURRICULUM FOR TEACHER

(To be filled by the faculty member)

This checklist has statements for self-assessment at the program level. You as a faculty member are requested to give your sincere rating/ comment against each of the statements by putting a tick (✓) mark. Your sincere evaluation and feedback will be helpful for a correct assessment of the course so that the next improvement plan may be undertaken.

Name of the faculty member: Jay Chhatbar

Gender: Male/ Female Male

Name of the course: ASD

Employment ID: 1512

E-mail ID: jay.chhatbar@marwadieducation.edu.in

Rate your agreement with the following statements regarding the curriculum by choosing the responses as per the following scale (1: Strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: Strongly agree).

Sr.	Curriculum related statement	1	2	3	4	5
1.	The teaching hours assigned to each unit are adequate.					✓
2.	Course content is delivered through a student-centric approach in an effective manner.				✓	
3.	Formative and summative assessment methods are appropriate to evaluate the expected learning outcomes.					✓
4.	Board of Studies is taking care to ensure content relevance of programme being offered.					✓
5.	Employability is given weightage in curriculum design and development.					✓
6.	I am given enough freedom to contribute my steps on curriculum design and development.					✓
7.	System followed by university for design and development of curriculum is effective.					✓
8.	Curriculum has been updated from time to time.				✓	
9.	Department level meetings are held for reviewing syllabus.					✓
10.	Representative from business and industry in UG and PG board of Studies is helpful in designing and improving the course.					✓

Any other specific feedback (Describe your comment or suggestion for a specific course)

Students generally exhibit enthusiasm in the subject content. but alternative evaluation technique to enhance problem-solving skills will better help the students.

1. Comments

The automobile engineering curriculum laid a strong foundation for my career, and I appreciate the balance between theoretical knowledge and practical application. However, there's room for improvement in terms of incorporating the latest industry trends and technologies.

What specific feedback would you want to give MARWADI UNIVERSITY regarding changes in courses /curricula that would help its students perform better in industry

1. Please give your suggestion

The curriculum could benefit from a stronger emphasis on emerging technologies such as electric vehicles, autonomous systems, and connected vehicles. Ensuring that students are well-versed in these areas will make them more competitive in the rapidly evolving automotive industry.

What feedback would you want to give MARWADI UNIVERSITY regarding the skills that need to be developed in the students during their stay in MARWADI UNIVERSITY

1. Please give your suggestion

Emphasize hands-on experience through projects, labs, and internships to bridge the gap between theoretical knowledge and practical application in real-world scenarios.

Rate your agreement with the following statements regarding the curriculum by choosing the responses as per the following scale (1: Strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: Strongly agree).

Sr.	Curriculum related statement	1	2	3	4	5
1.	The teaching hours assigned to each unit are adequate.				✓	
2.	Course content is delivered through a student-centric approach in an effective manner.					✓
3.	Formative and summative assessment methods are appropriate to evaluate the expected learning outcomes.				✓	✓
4.	Board of Studies is taking care to ensure content relevance of programme being offered.					✓
5.	Employability is given weightage in curriculum design and development.				✓	
6.	I am given enough freedom to contribute my steps on curriculum design and development.					✓
7.	System followed by university for design and development of curriculum is effective.					✓
8.	Curriculum has been updated from time to time.					✓
9.	Department level meetings are held for reviewing syllabus.				✓	
10.	Representative from business and industry in UG and PG board of Studies is helpful in designing and improving the course.				✓

Feedback- Questionnaire regarding curriculum for Teacher
(To be filled by faculty member)

Basics of Microbiology
BSc · sem 1

This checklist has the statements for self-assessment at the program level. You as the faculty member are requested to give your sincere rating/comment against each of the statement by putting a tick (√) mark. Your sincere evaluation and feedback will be helpful for a correct assessment of the course so that the next improvement plan may be undertaken.

Name of the Faculty Member: Ms. Rinku Manvani

Gender: Female

Employment ID: 2200

Email ID: rinku.manvani@marwadieducation.edu.in

Rate your agreement with the following statements regarding the curriculum by choosing the responses as per the following scale: (1: Strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: strongly agree)

Sr. No.	Curriculum related statement	1	2	3	4	5
1.	The teaching hours assigned to each unit are adequate.					✓
2	The theory content of the syllabus strikes a balance between students' knowledge as well as industry requirements.			✓		
3	Adequate resources and innovative pedagogical techniques are effectively employed in the delivery of the curriculum.				✓	
4	The laboratories are very well equipped to support the theoretical concepts taught.			✓		
5	Innovative experiments need to be included for upskilling as per current industry needs					✓
6	The inclusion of a virtual lab can replace some of the experiments performed physically.					✓
7	Course content is delivered through a student-centric approach in an effective manner.					✓
8	Formative and summative assessment methods are appropriate to evaluate the expected learning outcomes.			✓		

Any other specific feedback (Describe your comment or suggestion for a specific course)

- In theory students of B.Sc 1 learn various microscopy techniques.
- In pratical, they perform only bright field.
- If we can arrange a visit to show the demo or virtual labs can serve the purpose.

What specific feedback would you want to give MARWADI UNIVERSITY regarding changes in courses /curricula that would help its students perform better in industry

1. Please give your suggestion

The courses and carriculam of the deparment of civil engineering are balanced. Students are aware about the basic knowledge with field application.

What feedback would you want to give MARWADI UNIVERSITY regarding the skills that need to be developed in the students during their stay in MARWADI UNIVERSITY

1. Please give your suggestion

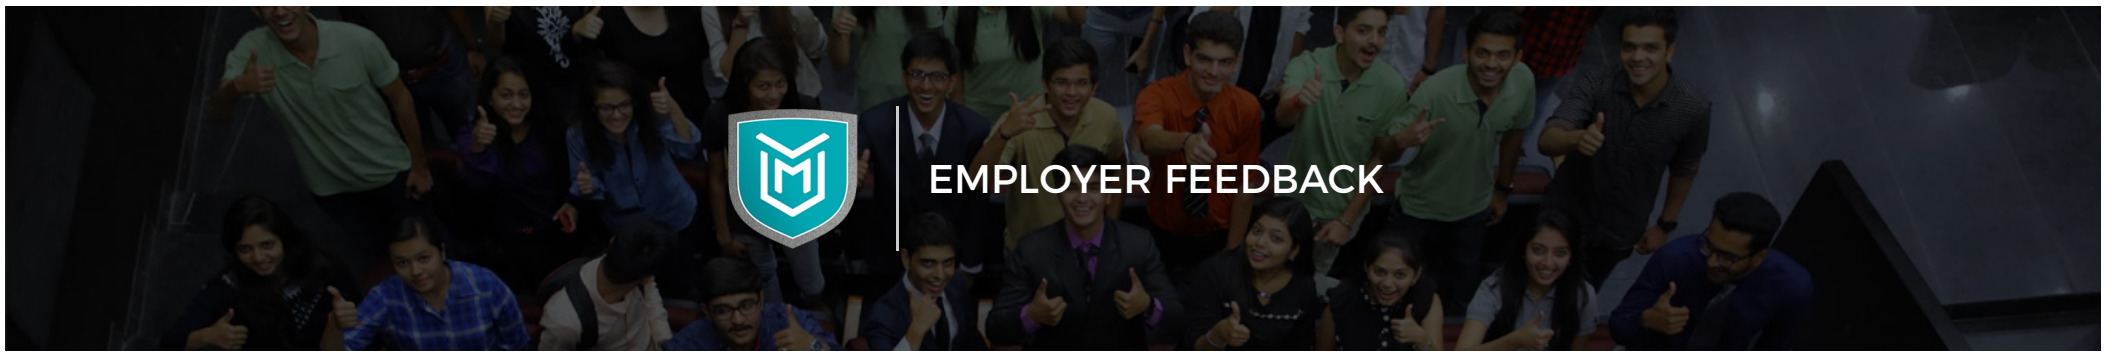

Students are enthusiastic towards learning in Marwadi University. With help of lab courses students can understand concepts easily. However short term internship of the students in field and in internship will be helpful to enhance the learning.

What specific feedback would you want to give MARWADI UNIVERSITY regarding changes in courses /curricula that would help its students perform better in industry

1. Please give your suggestion

Mostly M.Sc. Students have a good grasp on theory and basic knowledge but the thing which they mostly require is constant practice to minimize the standard errors.

What feedback would you want to give MARWADI UNIVERSITY regarding the skills that need to be developed in the students during their stay in MARWADI UNIVERSITY

1. Please give your suggestion

No specific changes are required.

Please mention any other comments which you would like to provide

1. Please give your suggestion

The students' curiosity to learn new things is the best part of teaching them all the work.

Any other comments/observations

1. comments/observations

Overall subject contents and syllabus are good. We are learning software applications in each semester which will be helpful in the field. But In my opinion, some topics like surveying, structural drawing, and quantity estimation should require to learn additionally which will be more useful on-site.

In the first year courses we learned laboratory courses which is directly connected to field which is very much useful. We also request to get such more courses or internship which will help us to understand field problem easily.

FEEDBACK – QUESTIONNAIRE REGARDING CURRICULUM FOR TEACHER

(To be filled by the faculty member)

This checklist has statements for self-assessment at the program level. You as a faculty member are requested to give your sincere rating/ comment against each of the statements by putting a tick (✓) mark. Your sincere evaluation and feedback will be helpful for a correct assessment of the course so that the next improvement plan may be undertaken.

Name of the faculty member: Dr. Yogesh Jani

Gender: Male/ ~~Female~~ male

Name of the course: M.Sc (Physics)

Employment ID: 1385

E-mail ID: Yogesh.jani@marwadieducation.edu.in

Rate your agreement with the following statements regarding the curriculum by choosing the responses as per the following scale (1: Strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: Strongly agree).

Sr.	Curriculum related statement	1	2	3	4	5
1.	The teaching hours assigned to each unit are adequate.				✓	
2.	The theory content of the syllabus strikes a balance between students' knowledge as well as industry requirements.				✓	
3.	Adequate resources and innovative pedagogical techniques are effectively employed in the delivery of the curriculum.					✓
4.	The laboratories are very well equipped to support the theoretical concepts taught.					✓
5.	Innovative experiments need to be included for upskilling as per current industry needs.					✓
6.	The inclusion of a virtual lab can replace some of the experiments performed physically.					✓
7.	Course content is delivered through a student-centric approach in an effective manner.					✓
8.	Formative and summative assessment methods are appropriate to evaluate the expected learning outcomes.				✓	

Any other specific feedback (Describe your comment or suggestion for a specific course)

A few modification may be done to meet industry requirement.

FEEDBACK – QUESTIONNAIRE REGARDING CURRICULUM FOR TEACHER
(To be filled by the faculty member)

This checklist has statements for self-assessment at the program level. You as a faculty member are requested to give your sincere rating/ comment against each of the statements by putting a tick (✓) mark. Your sincere evaluation and feedback will be helpful for a correct assessment of the course so that the next improvement plan may be undertaken.

Name of the faculty member: Pravin Tank

Gender: Male/ Female

Name of the course: Cloud Architecture & Security

Employment ID: 2393

E-mail ID: pravinbhai.tank@marwadieducation.edu.in

Rate your agreement with the following statements regarding the curriculum by choosing the responses as per the following scale (1: Strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: Strongly agree).

Sr.	Curriculum related statement	1	2	3	4	5
1.	The teaching hours assigned to each unit are adequate.				✓	
2.	Course content is delivered through a student-centric approach in an effective manner.					✓
