

## MY SUCCESS STORY

### I am

Karan Gokani  
Peoria, United States  
My batch  
B.E. Mechanical Engineering, 2014

### Current Designation and occupation

Working as an onsite coordinator and design engineer in L&T Technology Services.

### My Achievements

I was Vice-captain of SAE BAJA Team year 2012 - 2013, and Committee Founder / President of MEFGI Collegiate Club Placement Achievements. Furthermore, I got Placed in L&T Technology services with campus Placement

### My inspiration

In my initial days of college, I was fascinated with idea of design and innovation. My constant learning attitude and innovative approach has been a stepping stone pursue career as a Design Engineer.

### My Challenges

My biggest challenge was, the time when late joining period for the Company I work in. This didn't stop me from being careless and sitting idle, I joined Marwadi College as Teaching assistant and learnt lot of stuff regarding automation and Hydraulic simulation.

## My Invaluable Motivators

My mentor Mr. Nikhil Chotai always pulled me through my most difficult time and always motivated me to focus on high goals.

My wife gives me courage to fight all difficulties, even in pandemic she was one who got me through the difficult times.

### Contribution from the Marwadi Family

MEFGI as a valuable contributor has helped me develop a strong personality and has given lots of MEFGI has supported me in lots of way as a student and as well as being alumni.

I never forget how it had sponsored funding for the BAJA ATV for 2012 -2013. I am thankful that they have given me opportunity to bring Campus placement for LTTS and I was selected for same for self-growth.

### My future plans

My Immediate plan is to polish my skills in Product design. Long Term Plan is to manage a team of 50 Engineer and have a patent on my name.

### My way of being connected to Marwadi Family

To have communication for the final year projects done by students of all batch irrespective of their branch. Also, we would like to have mail id registered with Marwadi Education domain.
