

PROVISION OF HEALTHY AND AFFORDABLE FOOD CHOICES FOR ALL ON CAMPUS

Marwadi University has made its dining facilities by establishing multiple outlets inside the campus & and mess. These offer a diverse range of food options, catering to the varied preferences and dietary requirements of students, staff, patients and visitors . The university places paramount importance on the nutritive value and quality of the food served, ensuring that it promotes the overall health and well-being of its community.

A significant advantage of this upgraded system is its commitment to affordability. Marwadi University ensures that the food available in mess and in the outlets remains reasonably priced, making it accessible to all students, staff, visitors and patients. This inclusive approach fosters a supportive and equitable environment, enhancing the overall campus experience. The Veg and non Veg mess and canteen are inspected regularly by the food committee to ensure the quality. This comprehensive approach reflects the institute's dedication to providing a supportive and enriching environment for its community, promoting not only physical health but also convenience and ease in their daily lives.
