

## CAMPUS BUILDING FOOTPRINT

Marwadi University actively monitors and discloses its carbon footprint and other environmental metrics through various initiatives and reports. Marwadi University received the GEM5 rating from ASSOCHAM under its GEM Sustainability Certification Program.

The university tracks and discloses its carbon footprint via reports like Green Campus Reports and Sustainability Reports. Additionally, these environmental metrics are part of initiatives such as the Swachh Bharat Abhiyan and Smart Campus programs.

Furthermore, the university has demonstrated a commitment to renewable energy by installing a 700 MW solar power plant on its campus and 2,00,000+ trees/plants inside the campus.

**Total Land : 47.643 Acre**

**Total Built Up area : 140492.57 Sqmt**
