DISCOVER MARWADI UNIVERSITY

Marwadi University is a **prominent University in Western India** with a global vision. It engages with people and institutions across **the globe in the quest to promote cultural understanding** and encourage the next generation of world leaders.

DISCOVER INDIA

Fastest Growing Economy - ranked by the World Bank & IMF

2nd Fastest Growing Service Sector in the world by CII & KPMG

The 7th Largest Country and the Largest Democracy in the world

The number of colleges and universities in India is **39,050 & 903** respectively, with **36.64 million students** enrolled in higher education

Globally, India produces **the 2nd largest pool of Engineers and Scientists**

India is **the 2nd largest English-Speaking Country** in the world

DISCOVER GUJARAT

Gujarat is recognised as an educational hub led by premier institutions such as IIM-A, IRMA and NID in Ahmedabad & Marwadi University in Rajkot.

One of the most prosperous states in the country having a Per-Capita GDP 3.2 times India's average

Around 60 Universities & over 800 colleges are based in Gujarat with around 1.4 million students

Government-promoted programmes like 'Student Start-up & Innovation Policy (SSIP)' to encourage research and innovation

One of the safest states in India

STATUE OF UNITY
World's Tallest Statue in Gujarat with
the Height of 182 metres

DISCOVER RAJKOT

Rajkot is envisioned as a Smart City with an intense focus on developing next-gen leaders and **entrepreneurs through education**

Rajkot is the **35th Largest Metropolitan Area in India**, with a population of more than 2 million as of 2022. It is the Second Cleanest City in India and is the **7th Fastest-growing City in the world**

The city **boasts of historical landmarks, parks featuring historical events, & monuments from Colonial Times** in a highly preserved manner

The **Leading Centre of India** in the field of **Diesel-Engines, Submersible Pumps, Forging Industries, Ceramic as well as Textile Industries**

FROM THE DESK OF FOUNDER & CHAIRMAN

At Marwadi University, we are committed to offer our students a unique platform that makes them industry-qualified and enhances their knowledge that can be practically implemented in the real world. Gaining knowledge with the help of analytical tools that unlocks the limitless potential of an individual is no more a distant dream. With the help of 3-layer learning at Marwadi University, we aim to promote technological expertise with a mix of vigorous research and revised skill sets. The first layer consists of knowledge that focuses on attributes like critical thinking, identifying opportunities, and decision-making. While the second layer aims at improving the individual skills that push the students closer to their goals. With the acquired technical and soft skills, the third layer which is the development stage prepares the students to implement the gained knowledge in real-life situations. The convergence of the competence will accelerate the students' proficiency in contributing in the highest manner to our society. With Rajkot being the entrepreneurial hub of the Saurashtra region of Gujarat that provides plenty of employment opportunities, a lack of knowledge and its implementation was seen.

Marwadi University has been established with the sole purpose of bridging the gap between immense economic growth and the lack of technological advancements. With the research-oriented tech-focused curriculum, Marwadi University aims to direct its students in the direction that leads them to become successful entrepreneurs. This pushes them to utilize the available opportunities in a manner that also contributes to the betterment of our society.

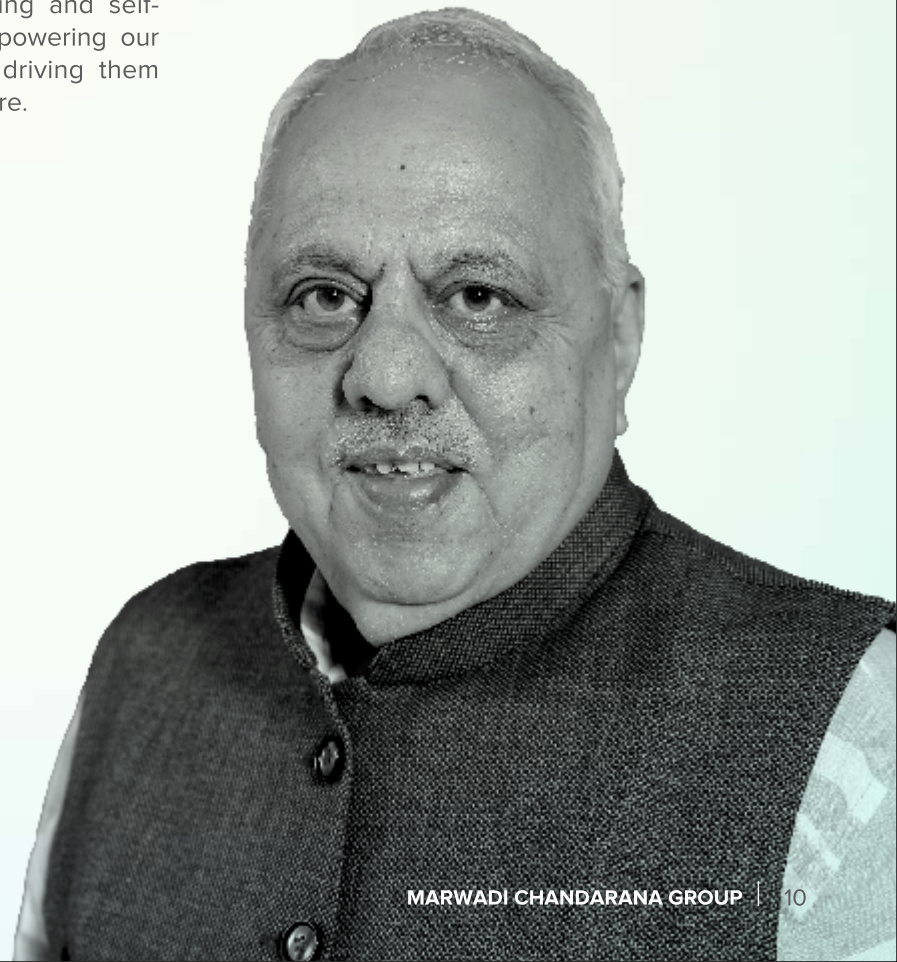

Shri Ketan Marwadi

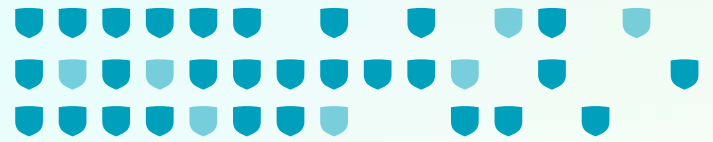

FROM THE DESK OF CO-FOUNDER & VICE CHAIRMAN

While Marwadi University exclusively focuses on building expertise through a hands-on learning manner, the holistic development of the students is not left in the lurch. The competency of our faculty members is time and again revived with the help of efficient Faculty Development Programmes, and the recurring strive to constructively hone our students through workshops and training that takes them closer to self-learning. The ethical values that we acuminate, nurture and mentor our students and lean them to the area of revolution along with self-discovery. The amalgamation of analytical knowledge along with acquired skill-learning would generate a plethora of opportunities for the students. By providing them with the necessary tools, resources, and strategic guidance; Marwadi University aims at promoting self-learning and self-discovery. To this end, we are committed to empowering our students with the accumulated knowledge and driving them towards a healthier, progressive, and prosperous future.

Shri Jitubhai Chandarana

FROM THE DESK OF
PROVOST

Dear Students and Parents,

I heartily welcome you to Marwadi University, a place where knowledge meets innovation, and aspirations are transformed into achievements. Education today is not only about acquiring degrees but also about developing skills, creativity, and the confidence to shape the future. At MU, we are committed to nurturing our youth into academically strong, socially responsible, and globally competent.

Our University has been consistently recognized for academic excellence with NAAC A+ accreditation (twice in succession), NBA accreditation for six departments, and a notable presence in NIRF rankings. We take pride in our state-of-the-art infrastructure, Centres of Excellence, 500+ patents, cutting-edge research projects, global collaborations, and vibrant student life.

With a strong focus on innovation, entrepreneurship, research, and industry connect, MU ensures that every student receives exposure to flourish in a rapidly evolving world. Our faculty, mentors, and support systems are dedicated to guiding you in exploring your potential and achieving your dreams.

As you stand at the doorstep of choosing the right institution for higher education, I assure you that Marwadi University will provide an enriching environment to learn, grow, and excel.

I warmly invite you to join the MU family and be a part of our journey towards shaping dynamic community of future leaders, innovators, and change-makers.

Wishing you the very best for your academic journey ahead.

With warm regards,

Prof. (Dr.) R. B. Jadeja
Provost, Marwadi University

FOUNDATION OF MARWADI UNIVERSITY

Marwadi University is established under the Gujarat Private Universities Act 9 of 2016 | Recognized under section 2(f) of UGC Act 1956.

MU is promoted by Marwadi Chandarana Group, dominant in stock brokerage, merchant banking services, depository participant services, proprietary trading services, and personal finance advisory, The Group's foray into the fields of higher education and solar energy solutions exemplifies its enduring commitment to growth and innovation.

OUR VISION

To foster an environment that empowers people, organizations & societies through education, ideas, research, and training.

OUR MISSION

- To provide quality education & thereby bring social transformation
- To create leaders through innovation and entrepreneurship
- To cultivate the culture of research advancements
- To imbibe universal consciousness
- To stimulate growth through industrial & international partnerships

OUR CORE VALUES

LEADER

- LIFELONG LEARNING
- EMPOWERMENT
- ADAPTABILITY
- DIVERSITY
- EMPATHY
- RESPECT

MARWADI UNIVERSITY'S ALIGNMENT WITH **THE NATIONAL EDUCATION POLICY (NEP)** OF INDIA 2020

In order to provide universal access to quality education and to globalise education, the Union Cabinet of India approved the National Education Policy 2020 (NEP 2020) which has been adopted by various higher education institutions.

ACTION POINTS SUGGESTED IN THE NEP 2020

- Shifting to a multidisciplinary approach and institutional autonomy
- Flexible curriculum with multiple combinations of disciplines like Languages, Literature, Music, Philosophy, Art, Dance, etc.
- Rigorous implementation of credit-based courses
- Multiple-entry and exit options
- Promoting internationalisation ...and much more

MU SYNCING ITSELF WITH NEP 2020

- Focus on internationalisation with the help of various MoUs with more than 32 Universities
- Providing Credit Exchange, Dual or Joint Degree programmes, and Global Immersion Programmes and International exposure opportunities to the students
- Skill-based learning
- Establishment of Academic Bank of Credits (ABC)
- Conducting Massive Online Open Courses (MOOCs)
- Relative grading systems for evaluations
- Initiated NEP-suggested curriculum

PLATFORMS FOR **EXCELLENCE**

MOOT COURT COMPETITION

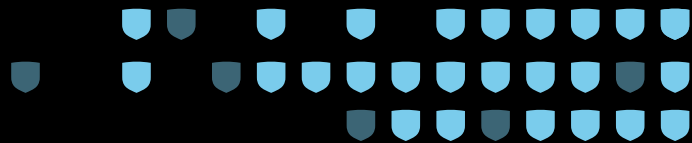

The competition strives to give a platform to the budding lawyers of our country to imbibe analytical skills in real-time situations. The aim is to engage with students and allow them to have first-hand experience with the complexities of the Law.

INTERNATIONAL CONFERENCES

A platform is provided to academic researchers and industry experts to discuss, deliberate, and network with people of like interests through international conferences like ASCIS, IEEE HTC, IYC, ISCBC.

HACKATHON & SMART CITY RAJKOT

Marwadi University organises Hackathons every year where different institutions and individuals participate in finding solutions across given problems.

FACULTY OF PHARMACY

The programme focuses on experiential learning to develop and perform the functions necessary to meet the responsibilities of a Pharmacist in a wide range of healthcare systems. The Pharmacy degree focuses on providing students with a solid foundation in the fundamentals of Pharmaceutical Sciences, Medicine, Chemistry, Biology, etc. A Pharmacy course prepares students to become Pharmacists or Pharmacy professionals. It typically covers subjects such as Pharmaceutical Sciences, Pharmacology, Pharmacy practice, and Healthcare Ethics. Pharmacy courses often include both classroom instruction and practical training in various aspects of Pharmacy, such as Medication Dispensing, Patient Counseling, and Pharmaceutical Calculations. Graduates of Pharmacy courses can pursue careers in various settings, including Community Pharmacies, Hospitals, the Pharmaceutical Industry, Research Institutions, and Regulatory Agencies.

BACHELOR OF PHARMACY 4 YEARS

FACULTY OF MANAGEMENT STUDIES

In today's dynamic business landscape, success demands a unique blend of theoretical knowledge and practical skills. At the **Faculty of Management Studies (FMS)**, we equip you with the tools to become future-ready leaders with their industry experience, (and?) guide you through a rigorous curriculum designed for real-world application. Experiential learning is paramount, with mandatory internships, industry-ready courses, and skill-building workshops. Delve deeper into your interests with multiple specializations and electives, while international immersion trips broaden your perspective.

We foster innovation through our **Entrepreneurship Incubation Center and Family Business Center**. Dedicated career services and training by industry experts ensure you graduate not just qualified, but Career-ready. Our programs prepare you for a wide range of exciting careers in business including management consulting, business analytics, digital marketing, investment banking, sales & marketing, banking & finance, operations, accounting, human resource, entrepreneurship, and family business management.

Highlights

- Qualified and Experienced Faculty
- Experiential Learning through Internships and Projects
- Multiple Specializations and Electives
- Industry-Ready Curriculum
- Skill Enhancement Courses
- Dedicated Career and Placement Support
- Training by Industry Experts
- Cutting-Edge Academic Resources
- International Immersion Trips
- Entrepreneurship Incubation Center

FACULTY OF LAW

Awarded as the “Top Law School” by Forbes India Legal Powerlist 2020, the programmes offered by the Faculty of Law focus on a multi-disciplinary approach together with innovative pedagogy. This prepares students for their legal profession since the inception of their graduation. This includes a compulsory research paper in each subject, eight credit-based compulsory internships; along with Expert Lectures as well as experience-sharing by Judges, Lawyers and Partners of reputed Law Firms. Our Faculty has recently been featured in Top 5 Law Colleges (Public & Private) in West Zone by Careers360 Magazine. Our international collaborations include Two Erasmus Plus Projects (with the education vertical of European Union), amounting to INR 2 Cr, where we have the honor of being one of the only Two Law Institutes in India to receive this prestigious grant.

**BEST LAW
SCHOOL IN INDIA** BY
CAREERS360

The Faculty of Law at Marwadi University and Lawctopus Law School offer a One-year online Diploma in Intellectual Property and Technology Laws, providing a strong foundation in IP and technology law. The program prepares students to excel internships and secure job offers while helping academicians enhance their research, writing, and practical knowledge for more insightful teaching.

FACULTY OF ARTS

The B.A./B.A. (Hons.) and M.A. (English) curricula are designed to engage students in the study of language, literature, human behaviour, societies, and governance. Through these programmes, students gain a deeper understanding of the cultural, intellectual, and political forces shaping both individual experiences and societal structures. The courses foster critical thinking, creative expression, and a comprehensive worldview, preparing students to navigate the complexities of the modern world.

This undergraduate programme has been designed in accordance with the New Education Policy (2020). Students can opt for the 3 year BA Programme or the 4 year BA Honours program, both of which offer a holistic curriculum that allows practical and theoretical exposure in Humanities and Social Sciences.

Our curriculum also offers 'open electives' wherein students can enrol for any subject of their choice /interest of a different course irrespective of their academic background. We also offer various other vocational and personality development courses such as Creative Writing, Digital Marketing, Language Electives and Industry Exposure/Internships to ensure holistic development of our learners.

3 YEARS

**MASTER
OF ARTS IN ENGLISH**
2 YEARS

PhD

WHY THE FACULTY OF ARTS ?

- Explore global societies, human behaviour, and literary traditions to develop a comprehensive cross-cultural understanding of the world
- Awareness on Diplomacy and International Affairs is the need of the hour
- Study individual thought, emotion and actions, and how they are expressed through both psychological frameworks and literary narratives
- Prepare to be a mental health practitioner and meet the psychological needs of individuals and societies
- Cultivate critical thinking and creative expression through the study of English literature, fostering an appreciation for the power of words, stories, and cultural narratives
- English, Psychology, and Sociology serve as foundational subjects for those preparing for public civil services examinations
- Delve into the complexities of human societies - family, gender, race, and ethnicity - while also examining the literary and linguistic reflections of these social structures

RESEARCH & DEVELOPMENT

Research & Development Cell of the Marwadi University recognizes pivotal role that research plays in driving societal progress and shaping the future. Research Office serves as a catalyst for transformative ideas, breakthrough technologies, and impactful solutions to real-world challenges. It is our firm belief that research is the cornerstone of advancement, Research Office aims to create an environment where innovation thrives.

Applicants keen on taking major multidisciplinary domains like Computer Science, Engineering & Technology, Science, Management, Law, Pharmacy, Physiotherapy, Arts, Physical Education & Sports and other pioneering domains are provided support and scholarships.

Marwadi University is a SIRO-recognized institution by the Department of Scientific and Industrial Research (DSIR), Government of India.

Marwadi university is recognized as a Knowledge Partner by the Department of Science and Technology (DST) for training female students in STEM fields.

Under the guidance of highly qualified research faculty, both undergraduate and postgraduate students at Marwadi University are actively publishing papers in Scopus and Web of Science (WoS) journals and conferences.

100+ papers Published by UG students in Scopus journals/conferences.

The university has established the Marwadi University Research Centre (MURC), a state-of-the-art central research facility equipped with sophisticated research tools and highly skilled research faculty, dedicated to mentoring students in their research endeavors.

Marwadi University also provides mentorship, guidance, and financial support to students for patent filing and product development.

Specially designed “Industry PhD Program” for working professionals. ■

State of the Art Research Facilities in all the Domains ■

Experienced Supervisors in all the Domains ■

490+ Research Scholars ■

Opportunity as Junior Research Fellow/Senior Research Fellow for Full Time PhD Aspirants ■

Availability of SCOPUS and Web of Science Database to support research ■

Opportunity as Post-Doctoral Fellowship ■

Seed Grants to Support Research Activities ■

Support Mechanism for Intellectual Property Rights (IPRs) Registrations ■

Various Policies in Place to Support Research Activities ■

World’s Top 2% Highly Cited Scientists ■

SCHOLARSHIPS & FINANCIAL AID

Various Central and State Scholarship & Freeships are available to students that are merit-based, need-based, student-specific, career-specific, and college-specific.

- Bank Loan
- Vidya Lakshmi Yojana
- Mukhyamantri Yuva Swavalamban Yojana (MYSY)
- Scholarship for the underprivileged
- Graduate Aptitude Test in Engineering (**GATE SCHOLARSHIP**)
- Central Sector Scheme of Interest Subsidy for education loans by scheduled banks
- Chief Minister Scholarship Scheme
- Graduate Pharmacy Aptitude Test (**GPAT** Scholarship)
- **Army/Ex-Army Scholarship** 1 Seat in each course (25% Scholarship in tuition fees per Sem.)

SCHOLARSHIPS FOR **WARDS OF MILITARY PERSONNEL**

In order to encourage students to take up **higher education** in **Diploma, Under Graduate, and Post Graduate degrees**, Scholarship for Military Ward has been introduced to all the wards of **Defence Personnel (Retired/In-Service)** in the Army, Navy and Air Force services.

For more details visit <http://www.scholarships.gov.in>

INTERNATIONAL SCHOLARSHIP PROGRAMMES

Currently we have **1700+** International Students from **54** countries. All of them are admitted under 'Study In India' programme. Marwadi University offers categories of scholarship to International Students.

Applicable allotted with hostel only.

President Scholarship

Fully Funded Scholarship Scheme Through SII

Scholarship on Tuition Fee: Students are given waiver on Tuition Fee. They only need to pay for accommodation and food. Apart from Tuition Fees Waiver, President has also given his consent to give additional President Scholarship apart from the Tuition Fee Waiver.

Marwadi University is also an academic partner of the 'Study in Gujarat - SIG' - a campaign aimed towards promoting Gujarat as an education hub on both National and International level.

SPORTS QUOTA

This category is intended for the two percent of seats that are available in each course. Sports-related benefits are not permitted for applicants who did not apply for admission under the designated sports category.

The only games, events, and sports that candidates requesting admission under the sports category will be given consideration are those for which the university has the infrastructure and coaching facilities available.

Eligible with Playing or participating in the current academic year.

100% scholarship on tuition fee waiver for international sports competition; 75% scholarship on tuition fees waiver for medalists at the national level; 50% scholarship on tuition fee waiver for participation at the national level; 20% scholarship on tuition fee waiver for medalists at the state level; and 10% fee waiver for participation at the state level.

DISCOVER

A WORLD-CLASS CAMPUS

ENVIRONMENT THAT ENCOURAGES EDUCATION

The environment of the campus directly impacts the performance of the students. A great deal of thought has gone into transforming walls and concrete slabs into the ecologically friendly buildings of MARWADI UNIVERSITY.

The buildings of Marwadi University are perfectly designed collaborative academic spaces. The ambiance, lighting, and facilities such as Libraries, Playgrounds, Multipurpose Rooms, Work Areas, and Administration foster a dynamic environment.

- **Centre Of Excellence Status Granted By The Govt. Of Gujarat**
- **17000 Students** On Campus
1700+ Students From 54 Countries
- **A Diverse Set Of Experienced Faculty Members From 24 States**
- **1.6 Million Sq. Ft.** Built-up Area
- **750 Staff-members** | 500 Faculty Members
256 PhD Faculty
- **High-performance Computing Facility** (Super-Computer) Awarded By GUJCOST, Govt. Of Gujarat

DISCOVER A WORLD OF BOOKS CENTRAL LIBRARY

The library is fully automated, integrating the advanced **UniRP** software alongside cutting-edge **RFID (Radio Frequency Identification)** technology and facial recognition systems for seamless circulation processes.

- A state-of-the-art Self-Service Kiosk, equipped with RFID and facial detection capabilities, streamlines automated book check-in and check-outs, ensuring an efficient user experience.
- Dedicated study rooms and discussion spaces, providing a conducive environment for collaborative and individual learning.
- An extensive collection includes AR/VR-enabled books, offering readers an immersive and interactive reading experience that goes beyond traditional formats.
- A comprehensive collection available to support Indian Knowledge Systems, including: All Vedas, Bhagavad Gita, Bible, Quran and Indian Constitution and Bhagvadgomandal.
- The library's unique initiative, SAMVAD – In Conversation with Books, fosters engagement by encouraging readers to connect deeply with the diverse collection.
- Additionally, the library provides transportation services for its users.

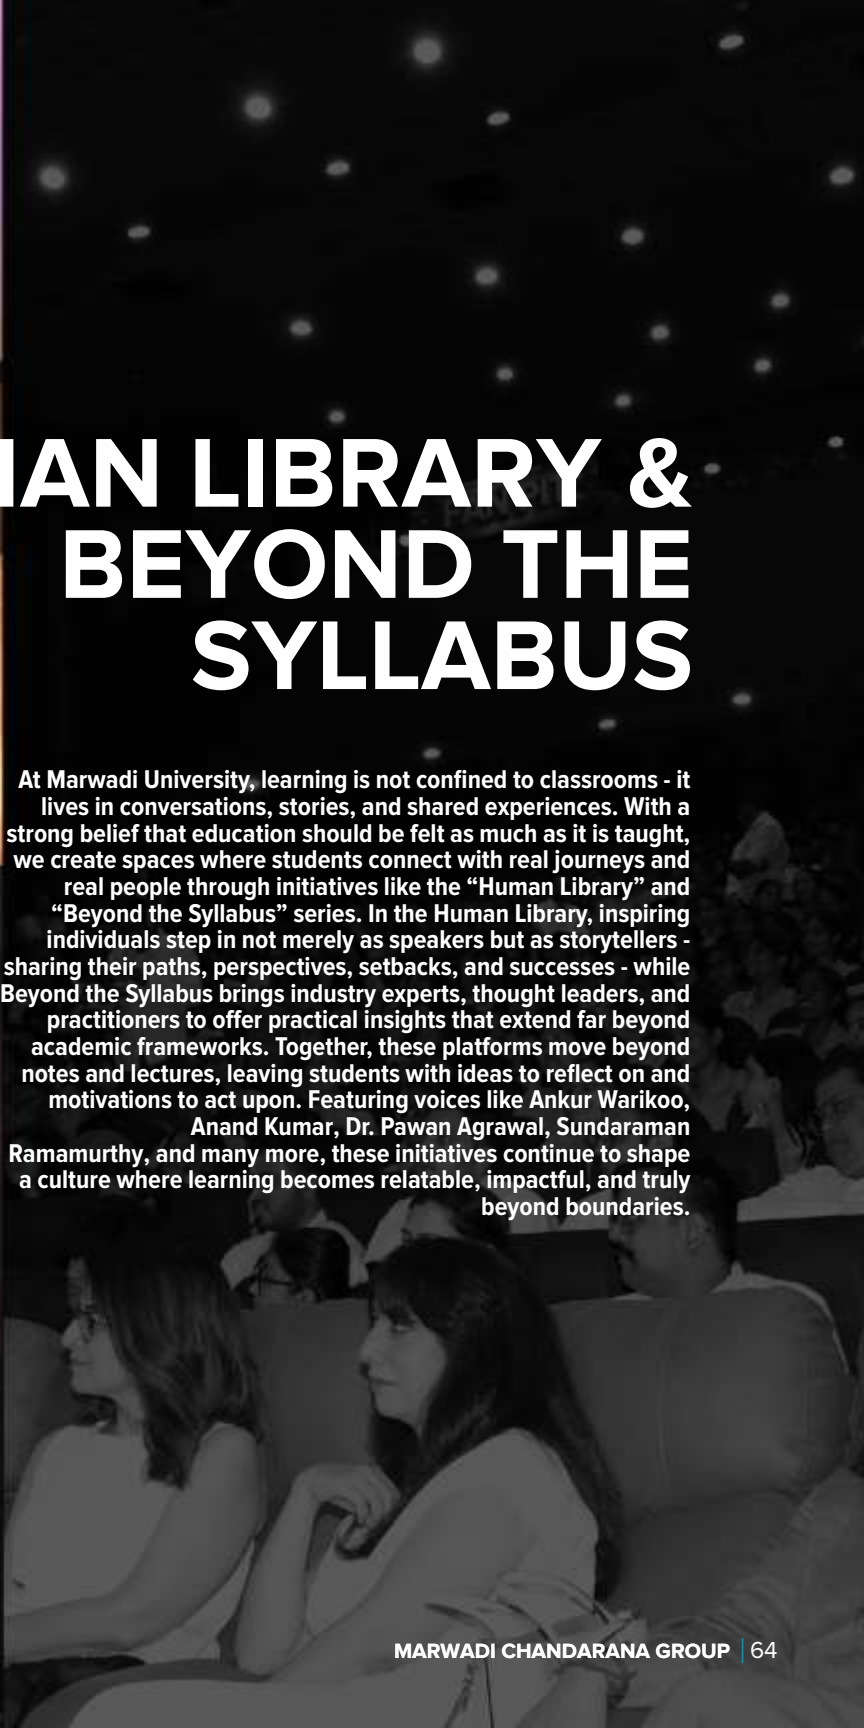

HUMAN LIBRARY & BEYOND THE SYLLABUS

At Marwadi University, learning is not confined to classrooms - it lives in conversations, stories, and shared experiences. With a strong belief that education should be felt as much as it is taught, we create spaces where students connect with real journeys and real people through initiatives like the “Human Library” and “Beyond the Syllabus” series. In the Human Library, inspiring individuals step in not merely as speakers but as storytellers - sharing their paths, perspectives, setbacks, and successes - while Beyond the Syllabus brings industry experts, thought leaders, and practitioners to offer practical insights that extend far beyond academic frameworks. Together, these platforms move beyond notes and lectures, leaving students with ideas to reflect on and motivations to act upon. Featuring voices like Ankur Warikoo, Anand Kumar, Dr. Pawan Agrawal, Sundaraman Ramamurthy, and many more, these initiatives continue to shape a culture where learning becomes relatable, impactful, and truly beyond boundaries.

THE INDUSTRY & ENTREPRENEURSHIP SUPPORT

To produce a highly employable workforce, Marwadi Education Foundation fosters collaboration between academics and industry by incorporating courses offered by leading industries as a part of the curriculum.

- INDUSTRIAL TIE-UPS
- CO-WORKING SPACE
- FIRST OFFICES

Powered by the

NVIDIA DGX H200

The World's Most Advanced
AI Supercomputing Platform

Marwadi University promotes research - based education & to facilitate this, MU has installed a supercomputer - **PARAM SHAVAK** awarded by Govt. Of Gujarat which facilitates high-end computations & research work in the field of AI.

MUJCAL

MARWADI UNIVERSITY
JYOTI CNC AUTOMATION LIMITED

Marwadi University Jyoti CNC Automation Limited (**MUJCAL**) established in 2018 with funding of more than **1.3** crores, is a union that impacts vital technical skills essential in the 'Foundries of Rajkot Cluster' to the Engineering students, through hands-on knowledge given by experienced Foundry personnel. More than **600** students have already been imparted with technical skills required in the domain of Foundry Engineering. The MUJCAL also provides industrial services related to Product Development, Casting Simulation, Testing, etc. This amalgamation is a result of strong support and guidance from the Centre for Entrepreneurship Development Cell (CED)-Gandhinagar.

Dedicated research facilities related to SMART Foundry have been established with the support of the Department of Science and Technology (DST) - Government of India. SMART Foundry mainly focuses on extending applications of advanced technologies such as Internet of Things (IoT), SMART Manufacturing, Digital Twin, etc for Foundry Engineering.

MUIIR

MARWADI UNIVERSITY CENTRE FOR INNOVATION, INCUBATION & RESEARCH

One of the missions of Marwadi University is to create leaders through innovation and entrepreneurship. Marwadi University has created a strong ecosystem for encouraging startup and entrepreneurship since its inception, and has established Marwadi University Centre for Innovation, Incubation, and Research (MUIIR) in 2017.

MUIIR focuses on reinventing the conducive ecosystem for NextGen Entrepreneurs through core activities including Research, Innovation, Venturing, Entrepreneurship, and Training. MUIIR has a dedicated space of over **5000** square-feet equipped with more than **35** hardware for prototyping facilities. MUIIR has a strong collaboration with various government initiatives, funded more than **515 lacs** to nearly **170** innovative ideas. Some of these startups have already grown and started generating revenue by setting up fully functional enterprises. More than **370 IPRs** have been filed, and nearly **60%** of them have been granted. MUIIR works in the direction of Transfer of Technology and has transferred 3 technologies to interested stakeholders.

MUIIR has launched a unique initiative, Import Substitution, focused on developing a database of innovative products, especially in the manufacturing domain—that can replace currently imported items and promote indigenous production. MUIIR has gathered the database of more than **25000** such products related to aerospace and defence that India is importing every year. MUIIR has also created a database on more than **15000** patents that are expired in India related to different domains to encourage innovative businesses at national level. MUIIR deeply values the contribution of women in startups and entrepreneurship and has their valuable presence in more than **30%** of innovations funded by MUIIR as well as in nearly 25% of IPRs filed.

MURC

MARWADI UNIVERSITY RESEARCH CENTER

Marwadi University Research Center (MURC) has been established by Marwadi University with a vision to foster a vibrant research ecosystem that empowers innovation, sustainability, and academic excellence. The center is dedicated to providing high-end research facilities to faculty members, scholars, and researchers from both the university and the surrounding academic and industrial community.

With a strong commitment to environmental protection and sustainable development, MURC is equipped with state-of-the-art analytical instruments and experimental infrastructure that support the development of eco-friendly materials, processes, and technologies. These facilities are designed to aid the exploration of new compositions and prototypes with a lower environmental footprint and higher resource efficiency.

This quote, displayed in the lab, reflects the bold spirit of research and transformation that MURC aims to ignite.

FACULTY DEVELOPMENT PROGRAMMES

With a focus on continuously improving students' learning experiences, systematic multi-layered **'Faculty Development Programmes'** have been developed under the independent direction of the Career Development Centre. These programmes allow faculty members to discover new teaching methodologies, instructional techniques and enhance their teaching effectiveness.

FDPs also play a crucial role in supporting **faculty research** and **scholarly activities** besides guidance on research methodologies, publication strategies and collaboration opportunities.

We, being a recognised & an active member of the **Indo-Universal Collaboration for Engineering Education** (IUCEE), are able to provide our faculty members with an opportunity to undergo the very premium Faculty Empowerment program 'IIEECP': A **signature programme** of IUCEE which is delivered by **highly qualified and dedicated international faculty, in five modules of three weeks each.**

1 The teaching-learning
Process

2 Course design &
Delivery

3 Creating a
dynamic
Classroom

4 Harnessing the power
of technology

5 Effective
Assessment

We also design and deliver our **in-house Faculty Development Programmes** (FDP) which gives faculty members the chance to network with peers, exchange best practices, and take part in professional development activities. The main objectives of our in-house FDPs are **improved teaching-learning, better faculty engagement, and increased student success.**

Every faculty member is required to complete FDP levels - One, Two, & Three during their tenure at the University. The Level One FDP **primarily focuses** on the **art of communication between teacher and students** within the classroom, whereas the Level Two and Three FDP gives faculty members the chance to improve their teaching skills with peer reviews, explore new teaching strategies, and integrate the most recent instructional methodologies into their courses.

The impact of our FDPs on **the students' success is the most essential benefit.** The best practices learnt during the workshop have proven to help the faculty members in creating more supportive and inclusive learning environment for students' success.

Discover THE THREE LAYERS OF LEARNING at MU

3 layer structure

We give hands-on learning experience to students and teachers through our uniquely designed 3-Layer STRUCTURE where we have divided learning in 3 parts with an aim to cultivate holistic development.

1 Development

This stage is created to make students proficient in life skills through hands-on experiences that give them an insight into the real world. This type of exposure breeds confidence and nurtures poise to deal with real-life situations. The Three Layers of Learning ensures that all learners acquire key technical skills and soft skills and possess all the necessary attributes that ensure a successful life.

2 Knowledge

The programme encourages critical thinking, collaboration, self-awareness, bouncing back from failure, identifying opportunities, and decision-making; all life skills are taught through stories, activities, and discussions.

3 Skills

In this phase, special Skill-Development Programmes aid learners to develop existing skills and also aid in identifying and bridging skill gaps to enable them to achieve their goals.

Discover NEW DIMENSIONS

The University Campus has numerous student-led academic, technical, non-technical, and recreational clubs that help in an all round development of students. Their skills and passions are fed through varied club activities. The Campus is lively with activities from following Clubs

- Student Speaker Club
- Marketing Club
- English Speaking Club
- MUN and Debate Committee
- Data Science Club
- Art Club
- Robotics Club
- Gender Champions Club
- Student Leader's Club
- Genomics Club
- Cultural Club
- Sports Club
- CNC and VMC Club
- Legal Aid Society
- and many more...

Career Development Centre

A special centre for 'Career Development' for faculty and students which prepares students to cope with 21st-century challenges through various programmes:

- Special Interest Groups
- Special Training Programmes for Skill Enhancement
- Research & Professional Growth Programmes
- Work Life Balance Programmes
- Soft-skills & Communication Skills Enhancement Workshops

DISCOVER YOUR TRUE PROFESSIONAL CALLING

THE MU PLACEMENT & CORPORATE RELATIONS

MU has a dedicated and extensive full-time Placement & Corporate Relations department that ensures deserving students get placed in top companies in reputable positions. We hosted over 500 companies (Year 2024-25) for their campus recruitment drive, created 10000+ job opportunities for our graduates and 3000+ students have undergone Internships. MU not only facilitates the student's placements in top corporate companies but also takes the Three Layers of Learning approach via strategic development programmes and comprehensive training programmes throughout the year to retrain the students in the following areas:

DISCOVER CULTURES ACROSS BORDERS

More than 25% of Marwadi University students come from outside Gujarat. Enriched with nearly a decade of experience in the Education sector, our International Office facilitates International Collaborations and Associations at MU. We have a dedicated International Relations Office to facilitate international students in all aspects.

FACILITIES FOR INTERNATIONAL STUDENTS

Students from across 54 countries study at Marwadi University. Rajkot is well connected with all the major metros in India like Delhi, Mumbai, Bangalore, Hyderabad, Ahmedabad via Air, Rail and Roads. We also have a strong and well-structured support system at the institution to assist in:

- Pick-up from Airport/Railway/Bus station to the campus on arrival at Rajkot/Ahmedabad
- One-to-one mentorship and guidance to every student
- Compliance with Foreigner's Registration formalities
- Dedicated English Language courses to improve communication skills
- Availing local prepaid calling/data SIM card
- A dedicated International Canteen with Veg & Non-Veg cuisine
- Opening of a bank account to avail international money transfers
- Other facilities like Salon, Food Court, Stationery on campus
- Availing medical facilities with reputed hospitals
- Washing Machine facility

MARWADI UNIVERSITY ALSO FACILITATES

INTERNATIONAL EXPOSURE PROGRAMME

by initiating relations with International Institutions, Associations, and Organisations to collaborate with their research and initiatives.

STUDENT EXCHANGE PROGRAMME

by means of Erasmus+ Student & Staff Mobility along with other exchange programmes.

GRANTS & SCHEMES

Counselling students and faculty members at MU about International Study and Research Grants, Schemes, Scholarships, etc.

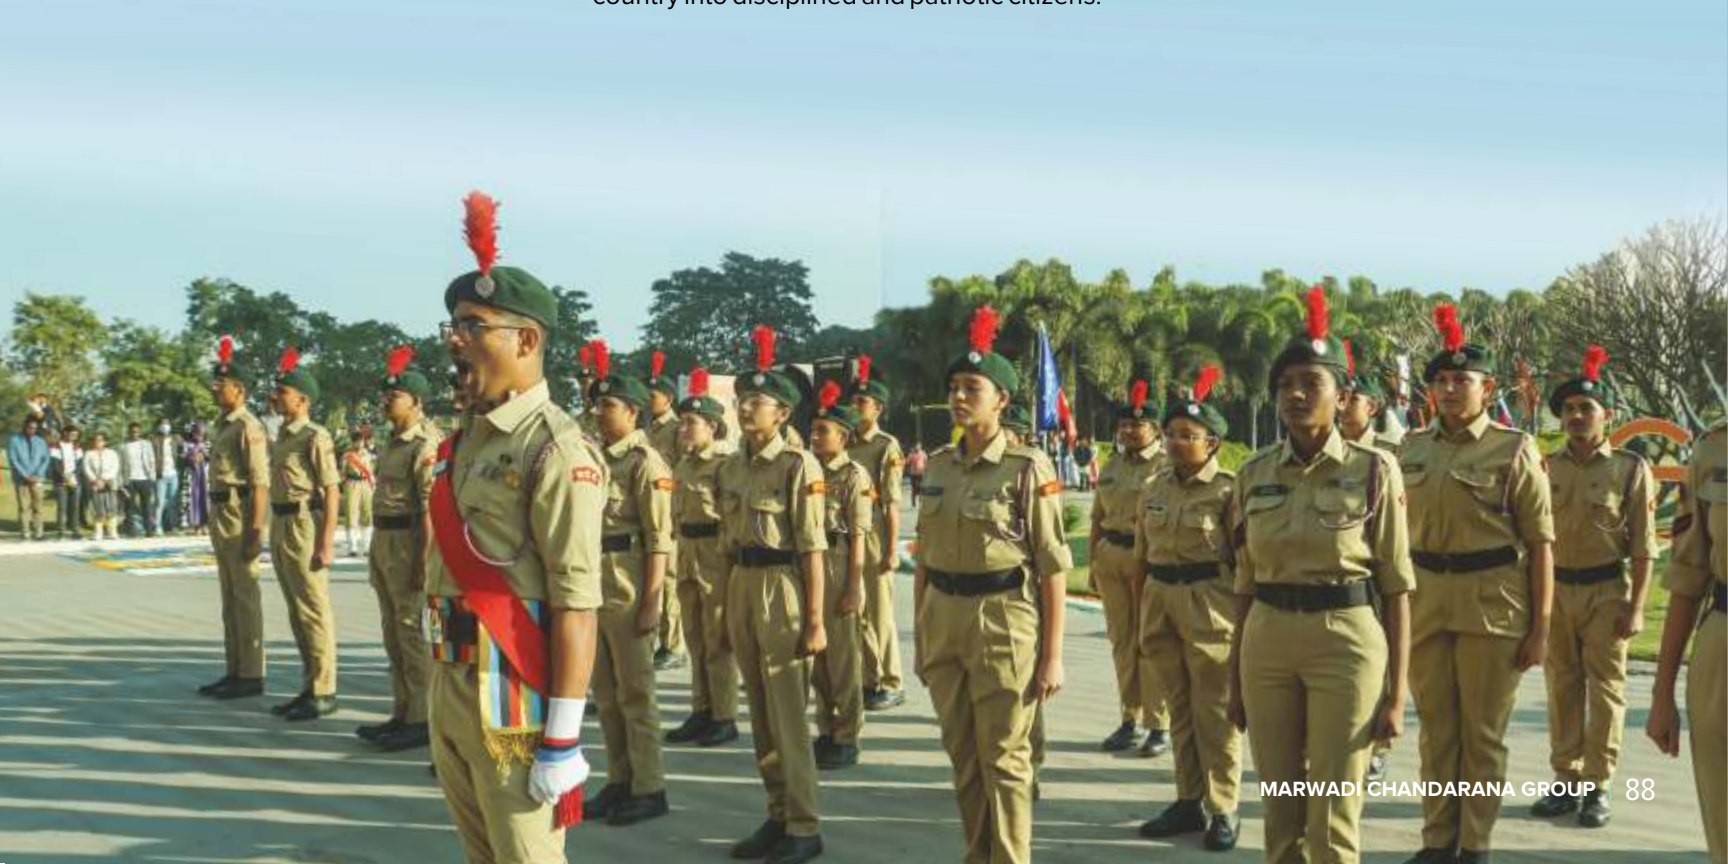

NATIONAL SERVICE SCHEME

Aimed at developing a student's personality through community service, the NSS MEFGI unit has **donated more than 2500+ blood bottles**, 4000+ clothes, 40+ tree plantation projects, **10+ School education programme**, 5+ Village visit, and various awareness programmes.

NATIONAL CADET CORPS

Marwadi University is proud to have a wing of NCC with **99-Cadet Males** and **86-Cadet Females** strength engaged in grooming the youth of the country into disciplined and patriotic citizens.

DISCOVER

State-of-the-Art On-Campus Dining Facilities

A hub for Nutrition and Social Interaction

The University boasts a well-maintained on-campus dining facility catering to both students and staff. This full-fledged mess service accommodates over 3,000 individuals simultaneously, offering four meals daily: breakfast, lunch, high tea, and dinner.

Complementing this are various food canteens that provide fresh and nutritious meals in clean dining spaces, fostering social interaction and camaraderie among students. Additionally, the university ensures dietary preferences are met with separate vegetarian and non-vegetarian food courts, creating an inclusive and enjoyable dining environment for all.

DISCOVER **SOCIAL SERVICE**

We are interested in building socially sensitive managers and leaders from our University. For this, our institute is involved in a lot of CSR activities.

We have adopted government schools in the vicinity of our University. We help them in different ways in terms of **providing infrastructure, conducting classes, and contributing** in the form of books, stationery, etc. In addition, the Institute also **encourages students to take up a lot of CSR activities across our programmes** with the **Environment Club, NSS activities, and other Curriculum.**

CENTRE FOR CIVIC ENGAGEMENT AND ACTION (CCEA)

The Centre for Civic Engagement and Action at Marwadi University promotes active citizenship and empowers communities to make a positive societal impact. It offers educational and outreach programs to equip students, staff, and community members with the skills for civic engagement.

Pro Bono Club

Faculty of Law, MU established its Pro Bono Club in 2023 under the flagship Pro Bono Scheme of Department of Justice, Govt. of India. The primary objective of this scheme is to improve the efficiency and quality of pro bono legal services by providing assistance to pro bono advocates through competent law students. Students of Faculty of Law are learning and contributing to society by giving their services under the Pro Bono Club.

MARWADI UNIVERSITY

RAGGING FREE CAMPUS

Marwadi University is strictly a ragging free campus. We are **100% compliant to the anti-ragging regulations**, and we have an **Anti-Ragging Committee** and an **Anti-Ragging Squad** to keep vigil and ensure that our campus is ragging-free.

The MU Anti-Ragging Committee ensures compliance through regular actions like **checking Hostels, Buses, Canteens, Classrooms, and other places of student congregation**, for any incident of ragging.

MARWADI UNIVERSITY

THE WOMEN'S CELL

The Women's Cell of MU was constituted to initiate women empowerment activities along with ensuring the safety of Women at Workplace (**P**revention, **P**rohibition, and **R**edressal Act, 2013).

The Cell draws members from students, staff and faculty to create a safe and conducive environment that rebels against the idea of a gender-biased environment. The Cell also advises on available courses of action to women on campus who may be in distress. With the help of empowerment workshops and awareness programmes, the Women's Cell of MU works on its mission of empowering women.
