

COURSE TITLE	INTERNSHIP III
COURSE CODE	10BH1608
COURSE CREDITS	2

Objective:

- 1 To expose students to real-world applications of social science theories, concepts, and research methods through field-based learning.
- 2 To develop critical thinking, analytical, and communication skills by engaging with governmental, non-governmental, or community-based organizations.
- 3 To enable students to understand the socio-political, economic, and cultural dynamics operating in field-based contexts.
- 4 To instill professional ethics, civic responsibility, and reflective practice in diverse social environments.

Course Outcomes: After completion of this course, student will be able to:

- 1 Apply social science theories and methods to analyze real-life social problems and institutional practices.
- 2 Demonstrate professional skills such as report writing, data collection, stakeholder interaction, and teamwork.
- 3 Critically reflect on field experiences to evaluate the roles and impact of institutions and actors in society.
- 4 Exhibit enhanced awareness of ethical issues, diversity, and inclusivity in social engagement and community work.

Pre-requisite of course:None

Teaching and Examination Scheme
