

COURSE TITLE	PLACEMENT INTERNSHIP
COURSE CODE	10FL0908
COURSE CREDITS	2

Objective:

- 1 To familiarize students with reality of the society
- 2 To enable student's exposure to law in practice
- 3 To promote students' familiarity with Court procedures in India.
- 4 The purpose is to offer students the chance to acquire skills in drafting of legal documents, conducting legal research, and preparing for court processes.
- 5 To acquire knowledge and understanding of the ethical obligations and responsibilities that advocates have towards their clients and the legal system.
- 6 To Engage in self-reflection on internship experiences, solicit valuable input from supervising advocates, associates in Law firm or corporate house and pinpoint specific areas for personal and professional development in order to bolster future career opportunities in the legal domain
- 7 Obtain essential skills, information, and experiences that enhance preparedness for future job prospects in the legal sector

Course Outcomes: After completion of this course, student will be able to:

- 1 Get the opportunity to gain practical experience in legal research, writing, and analysis, allowing them to apply their theoretical legal knowledge to real-life situations.
- 2 Comprehend the significance of ethical issues in the legal field, which encompass preserving client confidentiality, preventing conflicts of interest, and adhering to professional conduct norms.
- 3 Improve analytical skills by recognising legal concerns, assessing pertinent case law and statutes, and constructing logical arguments to uphold legal positions.
- 4 Develop connections with legal professionals, mentors, and peers to broaden professional networks and acquire valuable knowledge about future career trajectories in the legal domain.

Pre-requisite of course:N/A

Teaching and Examination Scheme
